Reporting and barring referrals

The process outlined below details the stages involved in raising and reporting safeguarding concerns at SMART EDUCATION RECRUITMENT LTD

1. Take details of the incident from client or candidate and complete our incident report form
2. Inform Smart Education Designated Safeguarding Officer
3. Inform the LADO that we are investigating a concern
4. Comply and follow LADO's guidelines

5. If this matter relates to a current candidate in work, suspend candidate pending investigation and notify client.

LADO (Local Authority Designated Officer)

In accordance with Working Together (2015), where an organisation has received an allegation that a volunteer or member of staff who works with children has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child; or
- behaved towards a child or children in a way that indicates they may pose a risk of harm to children

A referral should be sent to the Local Authority Designated Officer (LADO) within one working day, giving as much detail as possible.

Duty to make a referral to the DBS

Where there is evidence that anyone has harmed, or poses a risk of harm, to a child or vulnerable adult, there is a legal duty on SMART EDUCATION RECRUITMENT LTD to report that person to the Disclosure and Barring Service using their guidance. Available here <https://www.gov.uk/guidance/making-barring-referrals-to-the-dbs>. The DBS has statutory authority to bar a person from working in regulated activity with children and/or vulnerable adults in the UK.

Referral to the DBS will also be made if the person resigns prior to an investigation being carried out or reaching its conclusion. If the accused person resigns, or ceases to provide their services, this should not prevent an allegation being followed up in accordance with this guidance.

SMART EDUCATION RECRUITMENT LTD will not make any compromise/settlement agreement in the case of a person deemed unsuitable to work with children. Any such agreement which contained a condition of not referring the case to the DBS would constitute a criminal offence.

Anyone who is concerned about a child's or vulnerable adult's welfare or who believe that a child or vulnerable adult may be at risk of abuse should pass any information to the DBS or other appropriate authority as soon as possible and no longer than 24 hours after the initial concern.

Whistle Blowing

All staff, temporary workers, candidates and contractors should bring matters of concern to the attention of SMART EDUCATION RECRUITMENT LTD and concerns can be reported directly to the LADO. Once you

have shared your concerns you should submit them in writing giving names, date and places where appropriate. No action will be taken against you if the concern proves to be unfounded but was raised in good faith. All staff, workers, candidates and contractors should be aware of their duty to raise concerns, where they exist, about the attitude or actions of colleagues. Include concern raised and not acted upon by the safeguarding leads. Allegations that are made frivolously, maliciously or for personal gain will lead to termination.

Once a disclosure against anyone has been made, SMART EDUCATION RECRUITMENT LTD will consider whether the allegation should be reported to the LADO. Only after notifying and consulting with the LADO (or, in the most serious cases, the police) SMART EDUCATION RECRUITMENT LTD will undertake an investigation.
